Boy Scouts Online Popcorn Sale

To: Peak, David,

Reply-To: pops@prpopcorn.com

Congratulations, your Scout has been signed up to sell online by the unit leader.

You have two ways to reach your customers.

1. My PR Popcorn is a secure, online platform that helps Scouts and their parents sell more popcorn by easily promoting their sale to family and friends online using your own custom profiles. Scout profiles can be setup and managed using a web browser (www.MyPRPopcorn.com) or Apple or Android smart phone by downloading the My PR Popcorn app on the Apple App Store or Google Play store. With the My PR Popcorn app, simply select "Share Profile" at the top of the My Profile page to share it using any email or social media account set up on your phone. When customers visit a Scout's profile, they can select the "Support Me Now" button. This will take them to the Pecatonica River Popcorn website. They will be able to enter the Scout's ID number displayed on each Scout's profile page when placing the order to give that Scout credit for the sale.
2. Forward email sent to your contact list using the text below.

Please support my Scout by ordering a medium order of Pecatonica River Popcorn. You can choose a 2 or 3 gallon tin with your own individualized combination of up to 3 gourmet popcorn flavors. The special flavors and descriptions are available at www.prpopcornstore.com. You may also choose to send a taste of home to our U.S. Military men and women by purchasing a Popcorn Military Donation. These donations are available in denominations from \$10-\$100 and ship direct from Pecatonica River Popcorn to men and women in the U.S. Military.

To find out more about the available popcorn choices, please go to: www.prpopcornstore.com. Once there, you can place an order on my behalf by entering my Scout Seller ID: **CC0IC3** at checkout.

70% of your purchase goes back to my Unit and Council to help instill the very values that have made Scouting a time-honored tradition for over 100 years.

Thank you for your support,

Seller ID: CC0IC3
